01

OF FIVE

THE MYTH

**~~You need past performance
before you can win anything.~~**

WHAT'S ACTUALLY TRUE

Teaming agreements let new shops piggy-back on a prime's history. First award doesn't require yours — it requires theirs.

02

OF FIVE

THE MYTH

~~Big primes always beat small businesses.~~

WHAT'S ACTUALLY TRUE

Most federal dollars are set-aside or sole-source eligible for small businesses. Primes literally can't bid on those.

03

OF FIVE

THE MYTH

~~GSA Schedule means automatic revenue.~~

WHAT'S ACTUALLY TRUE

The Schedule is a license to compete, not a contract. Without an active BD motion, holders sit untouched for years.
